

SWIFT FOR ADOBE EXPERIENCE MANAGER ASSETS

PACKAGED OFFERINGS AT LIGHTSPEED

Everything needed for a Digital Asset Management deployment solution in as little as 10 weeks.

YOU & AEM, FAST FRIENDS

MAXIMIZE EFFICIENCY:

Typical SWIFT deployments save our clients 2-6 weeks of custom development and testing, resulting in an average savings of over \$62,000 or £50,000.

QUICKER TIME TO MARKET:

A large UK high-end department store increased speed to market for fashion product assets by 30%.

RAPID TIME TO BUSINESS VALUE:

The [Wonderful Company](#) cut total asset size by 2TB and streamlined content creation, which reduced asset production costs by 25%.

REDUCE COSTS:

[Asics](#) moved their storage of assets into S3, which saved them 73% on their monthly bill.

PICK YOUR FLAVOR
